

Mapping the RES potential: Report on operational and planned Renewable Energy power plants in Albania (September 2024)

This publication is part of the European Climate Initiative (EUKI). EUKI is a project financing instrument by the German Federal Ministry for Economic Affairs and Climate Action (BMWK). The EUKI competition for project ideas is implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. It is the overarching goal of the EUKI to foster climate cooperation within the European Union (EU) in order to mitigate greenhouse gas emissions.

Title: Report on operational and planned Renewable Energy power plants in Albania

Subtitle: Report

Version: 1.0

Authors: Milieukontakt Albania

Contact Person: Anna Niemczyk (anna.niemczyk@ien.com.pl)

Institution: Institute of Power Engineering – National Research Institute

Supported by:

on the basis of a decision
by the German Bundestag
