# CURE+

CENTRES FOR URBAN RESOURCES,  
REUSE AND REMANUFACTURE

## Invitation letter

To the online conference on C&DW and urban resource centres  
March 18, 2025, interactive broadcast from Kavala (Greece)

We are pleased to invite you to join us for an interactive discussion about the role of urban resource centres (URCs) in the sustainable management of construction and demolition waste (C&DW) flows. We will explore the key success factors in establishing these URCs and ensuring their sustainability. During the session, we will share the lessons we learnt throughout the EUKI funded project CURE+\* and engage in a discussion with you. We look forward to seeing you soon!

**Date and time:** Tuesday, **March 18<sup>th</sup>, 2025, at 9:00-12.00 CET**

**Agenda:**

- Opening
- C&DW management in 4 EU cities
- How URCs can solve C&DW management issues in the cities
- Not to reinvent the wheel – learnings from other URCs in the EU
- Welcome to 4 new urban resource centres
- URCs in action
- What's next?
- Closing
